TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

The Nile is one of the most interesting rivers in the world, and it is to this river Egypt owes its being. In olden times the Egyptians worshipped the Nile, for upon its rise and fall their existence depended. Its waters are now carefully husbanded by means of great engineering works, the most recent of which is the reservoir and dam at Assouan built by Messrs. John Aird & Co.

Dear Helen,
I tried,
but tried in vain
to finish up those
postals. So I will
send a couple other
and then I will
finish them as soon
as possible.
